P.O. Box 1356, Clewiston, Florida 33440

**August 1, 2016**

To: All 2016 Market Hog Exhibitors

**Dear Exhibitor:**

Due to the limited space at our facility the Hendry County Fair will limit the number of market hogs allowed in the 2017 fair. As an exhibitor at the 2016 fair, you have been awarded one of the 85 available positions. In addition, if you have a sibling (living in the same household) that is interested in showing they will be considered on a first come basis for a position.

In order to claim your spot, you must complete the enclosed application. If your sibling(s) intend on showing a market hog in the 2017 fair they must also complete an application. Completed applications must be mailed or hand delivered to the fair on or before August 31, 2016. Failure to turn in an application by the deadline will mean that you are forfeiting your position.

If you turn your form in and then decide not to show, please notify the fair board so that your position can be awarded to someone else.

Unclaimed and all other available spots will be awarded by lottery drawing on September 13, 2016.

The decision to limit the number of animals was made so that we can safely accommodate all exhibitors, animals, and visitors. Our goal is to promote excellence in Florida agriculture by providing a quality show for our community while cultivating our youth.

If you have any questions regarding the application please contact us at 863-228-1649.

Sincerely,

**Hendry County Fair and Livestock Show, Inc.**
